Important Information for All Students

Health Records

Every Kent Denver student must have a completed and up-to-date health record on file prior to participation in sports or attendance at school.

Kent Denver uses an online system to streamline the annual health record submission process. This provides families with continuous access to students' health records, the ability to update documents online as needed and the option for parents to take the digital health record file after students graduate.

Student health records can be completed on the Magnus SMR (Student Medical Record) system. A link to Magnus can be found on the Parent Portal. Note: Magnus log-in credentials are the same as those for the Parent Portal. **Health records must be submitted by Wed., Aug. 1.**

Physical Exams

All students must have a physical exam every year. Students will not be allowed to go on retreats or class trips, participate in athletic practices or compete in athletic events without emergency and health information on file with Kent Denver School.

The Athletics department has arranged for board-certified family nurse practitioners and pediatric nurse practitioners to provide exams on campus on Fri., Aug. 3, from 8 a.m.-noon and on Mon., Aug. 6 and Mon. Aug. 13, from 7-10:00 a.m. Although this on-site program is designed to make it easier for families to comply with regulations for Upper School students, nurse practitioners will also provide physicals for Middle School students.

Physical exams last approximately 10 minutes, take place in the Field House and are available via appointment only. **Each physical costs $30, payable with cash or check.** An appointment request form is available on the Parent Portal. Please note that Upper School boys' golf and football practices begin August 6 as do optional, sports-specific skills work and conditioning for boys' tennis, cross-country, field hockey, boys' soccer and volleyball. Regular Upper School sports practices begin on August 13. Please keep those dates in mind as you schedule appointments.

Proof of Immunization

Students may not attend school until they have an immunization card on file. If vaccinations are not current, students have 14 days to comply. When vaccinations require a series (i.e., Hepatitis B) students must submit a plan to the school signed by a physician as to when those series of vaccines will be completed.

Middle School Orientation Day: Tue., Aug. 21

Students should bring books and school supplies to school. Parents and Guardians of sixth grade students will receive a technology orientation in Kuntz Commons.

First Day of Class: Wed., Aug. 22

All students should arrive to school by 8 a.m. on Opening Day.

- **Sixth Grade:** Report to homeroom classrooms; dismissal at 3:15 p.m.
- **Seventh and Eighth Grades:** Report to advisor meeting locations; dismissal at 3:30 p.m.
- **Upper School:** Report to advisor meeting locations; dismissal at 3:25 p.m. or, if participating in sports practice, at 5:30 p.m.

From Carrie Green, Middle School Division Head

June 22, 2018

Dear Parents and Guardians of Middle-Schoolers,

I hope this note finds you well and enjoying the start of a restful and relaxing summer.

It's hard to believe two weeks have passed since Middle School Continuation! Images of our eighth-grade students beaming with delight as they began the transition to Upper School are still fresh in my mind. While their focus is now on the next, exciting phase of their Kent School journey, I am certain the friendships they formed in Middle School and the extraordinary support they received from teachers and advisors will serve them well for years to come.

Although campus is quiet currently, planning is already underway to ensure we have another excellent school year. We'll introduce much of that work to you in August during orientations, Back-to-School events, community gatherings and first-day-of-school celebrations.

In the meantime, please refer to the Middle School section of this Planner for details about fall trips, upcoming events—and, of course, school supplies and trip essentials you may want to purchase before school begins. I hope you will find this information helpful. Feel free to contact me via email at cgreen@kentdenver.org if you have questions or need more details.

Enjoy the rest of summer. I look forward to seeing you and your children in the fall!

Warmest regards,

Carrie A. Green
Middle School Division Head

Middle School Fall Trips

The first weeks often set the tone for the entire year. For all students, whether new or returning, the opportunities to work with others, meet new challenges and build a sense of camaraderie are important for a successful year. Our fall trips allow us to address many of these goals.

During the second week of school, the entire Middle School travels off campus for several days. Here are highlights of those activities

Sixth Grade:

- Wed., Aug. 29:
  Arrive at school at 9 a.m. with a sack lunch. (See Packing List for details of items needed.) We will spend the morning on campus with several group building activities. After a mid-morning departure and lunch en route, arrive at the Fountain Valley Mountain Campus south of Buena Vista. After dinner there is a group activity (a secret), then lights-out in the large cabin where we are staying.

- Thu, Aug. 30:
  After breakfast, the day will be spent on a series of hikes of varying difficulty on the trails on Mt. Antero. Hikes will range from a short hike involving some art work to a longer hike well up the flanks of Mt. Antero. Dinner, then a chance to go swimming at the Mt. Princeton Hot Springs.

- Fri., Aug. 31:
  Breakfast, clean the cabin, re-pack buses, and depart for campus. We will return to campus at noon. After unloading and cleaning vehicles, students will be dismissed

Seventh Grade:

- Wed., Aug. 29:
  Arrive at school at 9 a.m. (See Packing List for details of items needed.) We will spend the morning and early afternoon on campus working on various group projects and "class identity" activities. After lunch on campus, we will pack buses and depart for Jefferson Lake Campground near Jefferson, CO. Arrive, unpack personal gear, dinner.

- Thu., Aug. 30:
  Having joined the eighth-graders at the campground, the day will be spent in advisor groups on any of a number of activities. The evening will feature a group event involving the entire seventh and eighth grades.

- Fri., Aug. 31:
  Breakfast, pack up tents and gear, clean the campground, and depart for Denver. We will return to campus at 11 a.m. After unloading and cleaning vehicles, students will be dismissed.

Middle School Fall Trips

Eighth Grade:

- Wed., Aug. 29:
  Arrive at school at 9 a.m. (See Packing List for details of items needed.) Take part in an advisor activity on campus, load equipment on buses, eat lunch on campus, and then depart for Jefferson Lake Campground near Jefferson, CO. Arrive at campground, set up camp. The day will be spent on group activities focusing on the leadership responsibilities of eighth graders.

- Thu., Aug. 30:
  Along with the seventh graders (who will have arrived the afternoon before), the day will be spent in advisor groups on any of a number of activities. The evening will feature a group event involving the entire seventh and eighth grades.

- Fri., Aug. 31:
  Breakfast, pack up tents and gear, clean the campground and depart for Denver. We will return to campus at 11:00 a.m. After unloading and cleaning vehicles, students will be dismissed.

More specific information will be mailed home in mid-August concerning the details for each grade level. As some families will want to begin gathering equipment early, a Packing List is on the next page.

Finally, please be certain your child's Emergency Health Form is completed and returned to the school. This form, accessible on the Parent Portal, is due Wed., Aug. 1. We must have the form in order for your child to participate in fall trip activities

From Eric Chandler, Upper School Division Head

June 22, 2018

Dear Upper School Parents and Guardians,

The graduation of the Class of 2018 was only two weeks ago. It was lovely, indeed. We said good-bye to a wonderful group of students and launched them well into the world to do great things. And now, even this early in the summer, we begin preparing for the exciting school year to come.

The opening of school brings our pre-season sports practices, various meetings and gatherings, and the first-day-of-school celebration led by our seniors. It is a time to reaffirm our community, to embrace warmly our new members, and to recommit to educational excellence and student well-ness. Our school opening includes pre-school retreats for all high school classes and our ninth-grade student and parent orientation.

This letter introduces the Upper School section of the Back-to-School Planner, which has information about retreats, sports practices and other August events. I recommend that you review it, and of course, should you have any questions, please do not hesitate to contact either me or your child's class dean.

Enjoy the summer! It goes fast. And please accept this early welcome to the 2018-19 school year. I cannot wait to see you and your family in the fall. We are surely going to have a great year together.

Best,

Eric V. Chandler, Ph.D.
Upper School Division Head
